Could Timor Leste be the 'next Guyana'?

The magnitude of the natural gas resource offshore Timor Leste had attendees at the recent OTC conference in Houston buzzing about the country's potential to become the 'next Guyana,' with a resource play that could change its economic future.

Is Timor-Leste a good country for solar energy?

Timor-Leste has a high-quality solar resource. The global horizontal irradiance in Dili is higher than on the east coast of Australia, where the solar market is mature and installation costs are higher. The cost of electricity in Timor-Leste for commercial and industrial consumers is high compared to ASEAN countries.

Who owns Timor gas?

TIMOR GAP owns a 56.56% interest in that joint venture, with Australia-based Woodside Energy owning 33.44% and serving as operator. The remaining 10% are owned by Japan-based Osaka Gas.

How much does electricity cost in Timor-Leste?

The cost of electricity in Timor-Leste for commercial and industrial consumers is high compared to ASEAN countries. For instance, in Indonesia industrial electricity tariffs are 0.11 USD/kWh, compared to 0.24 USD/kWh in Timor-Leste.

Will Timor-Leste's natural gas reserves run dry in 2021?

Proceeds from the Bayu-Undan field have filled a \$16 billion sovereign wealth fund, which provides 95% of Timor-Leste's revenue. But natural gas reserves are being depleted and could run dry as soon as 2021. Currently gas is extracted from beneath the Timor Sea and piped directly to the export plant in Australia.

Does Timor-Leste have a LNG export facility?

Mr. de Sousa detailed TIMOR GAP's plans to create an onshore Timor-Leste LNG export facility for part of the gas, as well as plans to use a large share of the gas that will be used to reduce emissions in the island's power generation. "Currently, we use heavy fuels (i.e., fuel oil) in our power plants," he stated during an interview.

The national electricity company (EDTL) of Timor Leste runs three power plants: Hera with seven 18V46 engines, Betano with eight 18V46 engines and Inur Sakato PP - Oecusse with four 9L34DF engines. ... Access the global address book ... to ensure energy availability in Timor-Leste. 26 Jan 2016 ...
