I would highly recommend A Shade Greener to anybody thinking about having solar panels installed, it's an all round winning situation, we get cheaper electricity, A.S.G get a few quid. Every one's a winner and in 25 years they are all yours to do what you want with.

How long does it take to install a shade greener?

The installation process is very straightforward and only took two men less than half a day to complete. I would highly recommend A Shade Greener to anybody thinking about having solar panels installed, it's an all round winning situation, we get cheaper electricity, A.S.G get a few quid.

Do I need to pay for a shade greener?

If a company wants you to pay - for a survey for example - then simply ! A Shade Greener do NOT require you to pay anything at any stage - for a survey, fitting, equipment or maintenance.

Does a shade greener cost a mortgage?

A Shade Greener do NOT require you to pay anything at any stage - for a survey, fitting, equipment or maintenance. You do need to check with your mortgage company that it is OK to fit the panels as they have an interest in the property (and I believe that some mortgage lenders make a charge for this).

I will soon have to sell a relative's house (for care fees), in which they had "free" solar panels fitted in 2015. The Deeds were amended to Lease the roof space to "A Shade Greener" for 25 years. I am well aware this can really complicate selling, with many mortgage companies unwilling to lend, and have found many worrying stories on this forum about ASG. ...
