

She told that the company has routines checking where their equipment will be used, and that Aker Solutions will not bid for tenders in areas which the company has not approved for business activities, such as Western Sahara. "According to our internal guidelines, we do not deliver equipment to Western Sahara.

In late July, Morocco secured another diplomatic coup in a string of recent triumphs when France backed its territorial claims over Western Sahara. France joins a growing list of countries, including the United States, to champion the North African kingdom's plan for autonomy under Moroccan sovereignty. France's decision is, however, the source of much ...

Western Sahara remains an anomaly in the field of international law. In the eyes of the United Nations, it is a Non-Self Governing Territory with no administering power. However, even after an international promise of independence from colonization, Western Sahara is both an occupied and independent state. How did it get to this point, and [& hellip;]

The Memorandum of Understanding supports Aker's "10 in 25" goal, aiming to secure 10 million tpa of carbon capture contracts by 2025. Aker projects. Aker specialises in carbon capture from traditionally difficult sources such as cement and waste-to-energy. Chief among Aker's portfolio of carbon capture projects is Brevik CCS, the first ...

Norwegian energy investment firm Aker Horizons has shared plans to merge Aker Offshore Wind (AOW) and Aker Clean Hydrogen (ACH) into its portfolio. The company has proposed an all-stock merger with AOW, in which it holds a 51.02% indirect shareholding.

Morocco's post-1991 occupation of the territory certainly meets the definition of a colonial power. The history of Western Sahara, from Spanish involvement in the 1880s to Moroccan occupation in the present, constitutes both two separate narratives of directly subsequent colonialism, and a single, uninterrupted narrative of foreign occupation ...

Stakeholders of renewable energy companies Mainstream Renewable Power and Aker Offshore Wind have agreed to merge the two business entities to create an offshore wind company with a 27GW portfolio.. Aker Horizons previously reached an agreement with Aker Mainstream Renewables to merge Aker Offshore Wind (AOW), a wholly-owned subsidiary of ...

Aker Solutions Offshore Wind senior vice-president Kenneth Simonsen said: "The development of the Norfolk Offshore Wind Zone could require up to three HVDC platforms in succession, which would provide more long-term predictability and positive repeat effects and standardisation for the supplier industry. "Together with Siemens Energy, we are proud to ...

Western Sahara: War, Nationalism, and Conflict Irresolution By Stephen Zunes and Jacob Mundy ... As Jonathan Paquin wrote in 2010, the USA is a "Stability-Seeking Power", especially when it comes to taking positions on conflicts over self-determination (Paquin 2010). Concerns over stability tend to push US policy towards supporting self ...

Officials of Copenhagen Infrastructure Partners" (CIP) Haewoori Offshore Wind, Aker Solutions and

Aker power Western Sahara

The Western Sahara dispute, now in its fourth decade, appears to be a forgotten and frozen conflict. In reality, the conflict and its perpetual irresolution are central to the ways in which USA hegemony was reconstituted in the late Cold War and the processes through which Washington has been able to reproduce its global dominance since then.
