

Andorra energy centric co ltd

Who is Centrica Energy?

Centrica Energy is our global energy trading and logistics arm. We trade power, gas, LNG, and energy attributes and connect producers, suppliers and offtakers in the wholesale energy markets - and we provide our clients with the best route-to-market services available to the market today with physical and financial settlement approaches.

Who is energycentric?

Energycentric has been an ACEVO strategic partner for over 10 years, providing utility management and procurement advice to its members through the ACEVO Utilities Scheme. Our clients have enjoyed a host of benefits including competitive utility rates and 100% renewable energy.

Why should your business choose energycentric?

Energycentric is the smart choice for businesses looking to reduce utility costs and become more sustainable through efficient utility management. Below are just some of the business utility services we provide. We will identify the best procurement strategy, so you can focus on running your business.
