What are the two main islands in Antigua & Barbuda?

Antigua and Barbuda consists mostly of its two namesake islands, Antigua, and Barbuda. Other than that, Antigua and Barbuda's biggest islands are Guiana Island and Long Island off the coast of Antigua, and Redonda island, which is far from both of the main islands.

Can solar power Antigua & Barbuda?

A hybrid solar and battery project in Antigua and Barbuda, funded by the \$50 million UAE-Caribbean Renewable Energy Fund, features 720 kWp of solar panels and an 863 kWh battery, designed to withstand strong winds and fully power the island nation during daylight hours.

What is the most populous city in Antigua & Barbuda?

The most populous cities in Antigua and Barbuda are mostly on Antigua, being Saint John's, All Saints, Piggotts, and Liberta. The most populous city on Barbuda is Codrington. It is estimated that 25% of the population lives in an urban area, which is much lower than the international average of 55%.

What is the highest point in Antigua & Barbuda?

Boggy Peak, also known as Mt. Obama from 2008 to 2016, is the highest point on both Antigua and Barbuda. It is the remnant of a volcanic crater and rises a total of 402 meters. Boggy Peak is located in the southwest of Antigua (1,319 feet).

What is the difference between Antigua and Barbuda?

Antigua is Spanish for 'ancient' and barbuda is Spanish for 'bearded'. The island of Antigua was originally called Wadadli by the Arawaks and is locally known by that name today; the Caribs possibly called Barbuda Wa'omoni.

Where is Antigua located?

It lies at the juncture of the Caribbean Sea and the Atlantic Ocean in the Leeward Islands part of the Lesser Antilles. The country consists of two major islands, Antigua and Barbuda, which are approximately 40 km (25 mi) apart, and several smaller islands, including Great Bird, Green, Guiana, Long, Maiden, Prickly Pear, York, and Redonda.

5. Take to the seas in a charter yacht Source: flickr Yachts at Nelson's Dockyard Antigua and Barbuda are hailed as two of the great sailing meccas of the Caribbean region. Blown over by the reliable trade winds that once brought Spanish caravels and English naval fleets here from across the Atlantic, the archipelago is a fine choice for the budding mariner.
