Who is arecor energy?

info@arecorenergy.com © 2024 ARECOR Pty Ltd. All rights reserved. Alternative Renewable Energy. State-of-the-art clean, green and affordable baseload energy

How can arecor transform natural water dynamics into sustainable power solutions?

Explore the frontier of hydropower with ARECOR as we transform natural water dynamics into sustainable power solutions for tomorrow. ARECOR specialises in large-scale solutions that provide clean, affordable and sustainable renewable energy generation and storage Proprietary, hydrokinetic turbines with the highest power coefficients ever achieved.

Why should you choose arecor?

At the forefront of renewable energy innovation,ARECOR harnesses the power of water to provide reliable,affordable and sustainable clean energy solutions. Our team's 400+years of combined expertise in energy,infrastructure and aerospace has enabled ARECOR to set new standards in emissions-free baseload energy generation.

How will aspire and rise help the Maldives' energy transition?

World Bank-financed projects ASPIRE and ARISE support the Maldives' energy transition by installing more than 53.5 megawatts of solar capacity and 50-megawatt hours of battery storage. This will reduce Maldives' annual import bill by about \$30 million,with a project lifetime saving of \$756 million over 25 years.

What is arecor & how does it work?

Unlike intermittent solar and wind, ARECOR systems operate at up to 95% capacity, consistently delivering baseload energy. Designed to be submerged and out of sight, our turbines do not disrupt aquatic life or require dam construction, ensuring minimal environmental impact.

Should investors invest in sustainable solar projects in the Maldives?

In 2014, the first 1.5 MW solar project under ASPIRE only had four investors bids, and resulted in a high power purchase price (PPA) of 21 US cents per unit of electricity, indicating a lack of interest from investors in investing in sustainable projects in the Maldives.

In one of the most left field pitches doing the rounds, ARECOR Energy is attempting to drum up funding for a series of energy projects including a hydrelectric plant in the Democratic Republic of ...

endocrinologists, a group of clinical specialists that Arecor already interacts closely with in the development of its diabetes franchise. In August, we successfully raised £6 million to acquire Tetris Pharma, providing Arecor with a marketing, sales and distribution capability focused on injectable specialty products across the UK and Europe.
