Who is Shenzhen Aurora battery?

Shenzhen Aurora battery, founded in 2010 at China's Silicon Valley, a national high-tech enterprise focused on R & D, manufacture and sales of solar battery packs and solar home system. As innovation is our core competence, we keep developing all type of cutting-edge product, leading ahead of the industry in off grid energy storage battery.

Why should you choose a Shenzhen Aurora battery?

Compared with other products in the market now, this kind of product experiences a lower rate of capacity loss. Shenzhen Aurora battery, founded in 2010 at China's Silicon Valley, a national high-tech enterprise focused on R & D, manufacture and sales of solar battery packs and solar home system. As innovation is our core competence.

What is Aurora battery certification?

Aurora's mission is to facilitate a healthier energy chain at reasonable cost, consumers and utilities could all get out of the conventional fuels that hurt our planet, where in stead, the clean energy takes charge. Our battery certification: CE, ROHS, UN38.3, MSDS, UN-package, CB, IEC.
