

Does McPhy have a 100 mw electrolysis platform in Portugal?

Erratum: In the press release dated 12/21/2021, "McPhy selected to equip a 100 MW electrolysis platform in Portugal", it should have been read "its innovative electrolysis technology "Augmented McLyzer" which will convert green electricity by electrolysis into more than 41 tons of clean hydrogen per day" and not per year as mistakenly stated.

Who are Axpo & goldenergy?

Miguel Checa, CEO Goldenergy The story of Axpo and Goldenergy began in the autumn of 2015 when Axpo purchased 25% of the Portuguese energy supplier, strengthening the company's position in the country.

Who is Portugal's largest LNG supplier?

In 2022, Nigeria was Portugal's largest supplier followed by the United States, however from January to April of 2023, the U.S. has been Portugal's largest LNG supplier. In 2019 Portugal's peak number of ships was 67, increasing to 71 carriers in 2022, each supplying roughly 145,000 cbm of LNG in Sines.

Does Axpo sell green energy?

Axpo's subsidiary Goldenergy is the only business-to-consumer (B2C) energy supplier in Portugal to exclusively sell green energy. Every megawatt hour of electricity that Goldenergy provides to Portuguese households has a guarantee of origin and comes from energy produced by the power of sun, wind or water.

The habit of enduring the heat; Electric devices to fight the heat are used carefully. Although since the mid-2000s, air conditioners have been actively installed in Portuguese homes (it has become common to include them in new buildings beforehand), they are still not common among citizens, who are the most economically vulnerable.

The Portuguese National Long-Term Energy Poverty Mitigation Strategy discusses four strong strategies to combat energy poverty in Portugal. By increasing household energy efficiency, this initiative aims to reduce energy poverty in Portugal by replacing old technology with newer, efficient equipment. Universal access to energy services makes ...

Carolina Faria Contract Coordinator, MAKEEN Energy Portugal. The plan comes together.
