?Safe and convenient?RUIXU 48V 100AH Lithium battery with ground protection and Power switch, no bare leakage of positive and negative terminals, compared to other lifepo4 batteries ...

The cabinet would be vented to the outside to ensure any smoke/combustion is not released within my garage. For even more protection, I am even considering suspending a large plastic bag of sand over the battery -- in the event of a battery fire, the plastic will melt, dropping the sand onto the battery (another trick learned from charging LiPo's).

## Bahamas lifepo4 battery cabinet
