Marcelo joined Swire Energy Services in 2010 as a consultant in Brazil, and in 2011 SES BRA was officially incorporated and Marcelo became the company's General Manager, the position he holds today where he supports the growth of the business in Brazil.

I joined Swire Energy Services in January 2007. Originally joining the test-department as an operator, and my tasks were NDT-testing, preparation of offshore containers, baskets and tanks. As one of few girls, I started "on the floor", my daily workplace was among and around containers. During the 6 years I worked for the Test ...
