

Best backup generator for house Cameroon

The 9500 watt generator runs my whole house, including 3-ton central A/C, and I only finished the setup a few weeks ago and THE DAY that I finished getting the exhaust extended out the back of the shed, a storm came along and power was out for two hours. Nice break-in! I paid \$1,100 for the generator but they're showing up online for a little less.
