

Who is the chief guest of Bhutan Solar Initiative project (BSIP)?

The Prime Minister Dasho Dr Lotay Tshering was the Chief Guest. Bhutan Solar Initiative Project (BSIP) set up under Royal Command has implemented two Solar PV Projects in Thimphu. 250kW Rooftop Centenary Farmers Market (CMF) and 500kW Ground mounted at Dechencholing.

Can solar power grow in Bhutan?

"We did the studies on renewable energy management master planning in 2016 and the reports say Bhutan has a capacity for 12 Giga watts of solar energy and 760 MW of wind so we have a lot to tap as there is a lot of opportunity for solar energy solar power to grow in Bhutan. There is a lot of potential and I think this is the right step."

Which is the largest solar installation in India?

Today, CMF and Dechencholing plants are individually the largest solar installations in the country. The projects are also the first to install the highest capacity panels in the country of 650 watts. BSIP has submitted a generation tariff of Nu 4.59 per unit to the Government for approval.

A second solar power plant has been installed in the capital under the Bhutan Solar Initiative Project. Aimed at fulfilling the need for clean and renewable energy, the 500-kilowatt ground-mounted solar power plant was ...

After our stay in Bhutan, I might have said the definition of luxury is tranquillity: a life with zero noise pollution, just nature and the sound of the wind in the trees. But on reflection, I believe the greatest luxury is Bhutan's truly clean air. To give your lungs two weeks of the freshest, most oxygenated Himalayan-variety air, imbued ...
