OverviewGovernment agencies and operationsProduction and consumptionHistorySee alsoFurther readingExternal linksUntil 2002, Bhutan's energy sector was overseen by the Department of Power under the Ministry of Trade and Industry. In 2002, reforms in the executive body, the Lhengye Zhungtshog, produced three new agencies under the Ministry of Economic Affairs: the Department of Energy, its subsidiary Bhutan Electricity Authority, and the Bhutan Power Corporation. While the Department of Energy formulates policy, planning, and coordination, the Bhutan Electricity Authority is the m...

In the early 21st century, about 70 percent of all energy consumption in Bhutan was in the household sector. [5] Heating and cooking with firewood in particular accounted for between 70 and 90 percent of total energy consumption and virtually 100 percent of household energy consumption. [23] In contrast, commercial activities in Bhutan were fueled mostly by ...
