

United Arab Emirates (UAE)-based renewables company Masdar and its partners Infinity Power and Hassan Allam Utilities have signed a land access agreement with the Egyptian Government for a 10GW onshore ...

In May 2024 Masdar, alongside Infinity Power and Hassan Allam Utilities, secured a land access agreement with the Egyptian government for a 10GW onshore wind project. The agreement provides the consortium with access to an area of 3,025km²; in West Suhag, Egypt, allowing development studies to begin.
