

Canada claremore solar

Where is Canada's largest solar farm?

Canada's largest solar facility, a 132-megawatt solar farm east of Claresholm has gone online, producing clean, renewable power. Capstone Infrastructure Corporation and their partner Obton A/S made the announcement last week.

What is Canada's largest solar project?

The 132-megawatt Claresholm Solar project is Canada's largest solar facility. The project had been in development since approximately 2015 by Perimeter Solar and was sold to Capstone and Obton in November of 2019 after key permits were obtained.

When will a solar project be completed in Canada?

Construction began in November 2020, and was complete in April 2021. Upon completion, the project is recognized as Canada's largest solar project. Projects are proposed from the time they are announced to the start of construction. For substage fields, see our methodologies page.

How will TC Energy sell solar power to Canada?

Electricity generated from the solar farm will be sold to Canada's TC Energy under an eight-year power purchase agreement (PPA) to supply 74.25 MW. The remaining power will be sold in the wholesale power pool of Alberta.

How many solar projects does Capstone Infrastructure have in Canada?

Capstone Infrastructure operates more than 750 MW of installed capacity across 29 facilities in Canada. Its solar energy portfolio comprises two solar projects- the 20 MW Amherstburg solar park in Ontario and the recently commissioned Claresholm solar plant.

How did AESO connect Claresholm solar farm to AltaLink?

The AUC-regulated Alberta Electric System Operator (AESO) connected the Claresholm solar farm to the Alberta Interconnected Electric System in Claresholm through a 138 kV transmission line, which connected the plant to AltaLink's existing 138 kV transmission line 180L in the area.

Received great customer service from Pixley Lumber in Claremore Oklahoma. They came out to my house and measured my cabinets for new doors. The Carpenter came out to my home and made some pull out trays for my pantry and lower cabinets, removed my old backsplash & installed new baseboards.
