Scuba diving at Cocos Keeling islands is nothing short of spectacular. Fabulous visibility, pristine coral reefs, abundant marine life and all the trappings of a tropical paradise without the flashy resorts. Yes, it is isolated and it takes some effort to get there, but this is more than offset by the quality of the diving, the friendly locals ...

If going with the flow is how you roll, you will love the Cocos Keeling Islands. They have a small - very small - country town vibe. Your activities revolve around the exquisite lagoon whether they be snorkelling, diving, fishing, parasailing, or just relaxing under a coconut palm reading a book while inhaling the frangipani infused air

With a connection to the Cocos Keeling Islands since 1989, your seasoned guide Dieter Gerhard invites you to explore an untouched realm. Here, you can witness magnificent species like barracuda, big-eye trevally, dog-tooth tuna, black tip, white tip, and grey reef sharks, and rainbow runners as they gracefully roam the ocean depths.

Annexed by the UK in 1857, the Cocos Islands were transferred to the Australian Government in 1955. Apart from North Keeling Island, which lies 30 kilometers north of the main group, the islands form a horseshoe-shaped atoll surrounding a lagoon. North Keeling Island was declared a national park in 1995 and is administered by Parks Australia.

The waters around Cocos Keeling Islands are also thriving with rich biodiversity. Ocean lovers should free-dive with manta rays and swim with dolphins or turtles. Image credit: Cocos Keeling Islands You can also explore the coconut plantation farms on the island by heading to the Wild Coconut Discovery Centre on West Island. It's a behind-the-scenes ...
