

Comoros givenergy battery price

Does givenergy sell a half-price inverter?

With every purchase of a low-voltage GivEnergy battery, we'll sell the inverter at half price. Your half-price inverter will come when you buy it with one of our low-voltage residential batteries. So, that gives you a choice over a great selection of differently sized products to suit your home.

Does givenergy offer a discount?

As such, the installer should pass on the discount to their customer. GivEnergy reserves the right to amend these terms at any time. Cut your energy bills this winter with our half-price inverter offer. Buy a selected battery, and get a 50% discount on its inverter.

What is the givenergy all-in-one system?

The GivEnergy All in One system 13.5kWh combines ground-breaking battery and inverter technologies within one product - providing the ultimate in smart energy management. The All-in-One system is capable of supplying an additional 7.2kW of peak power to the household.

Do I need a givenergy em115 meter?

The All in One is supplied as a complete system, meaning the GivEnergy EM115 Meter is not required. This product is subject to a £150+VAT delivery charge. This is due to being transported by pallet. This can take up to 48 hours, but is usually next working day. Please note these units are extremely heavy and will be delivered kerbside.

Where is givenergy made?

Specifically, the company operates a manufacturing facility in Shenzhen, China, through its subsidiary Shenzhen Givenergy Technology Co., Ltd.

How long does givenergy battery warranty last?

GivEnergy's market-leading battery warranty lasts 12 years with unlimited throughput. Note: All Generation 3 battery cables need to be purchased separately. The third generation of the GivEnergy 5.12kWh battery is more efficient than ever before while also reducing its size & weight.

Why choose this battery? 13.5 kWh total usable capacity - use 100% of the battery's stated capacity 6 kW continuous power output from integrated inverter A companion backup gateway designed to ensure uninterrupted power supply in the event of power cuts Enjoy peace of mind with a 12-year product warranty Designed to rival the performance of Tesla Powerwall Newest ...
