With 189 member countries, staff from more than 170 countries, and offices in over 130 locations, the World Bank Group is a unique global partnership: five institutions working for sustainable solutions that reduce poverty and build shared prosperity in developing countries.

What are Solar Fences? In today's modern world, security becomes everyone's main concern in almost everything, and protecting properties is not excluded from that. Just like an electric fence, solar fences produce a current shock when someone or something touches them, thus providing protection and security to a property. The only difference is, solar fences are powered by solar ...
