Why did you buy marstek power station?

I have been using MARSTEK to decorate my home with practical and useful items for the kitchen, office and bath. Lots of love to MARSTEK for creating easy to use sustainable items. I purchased this power station for the two main reasons: emergency power supply and self-driving trips. I'm very impressed with MARSTEK when I get it.

What do you use marstek for?

I'm very impressed with MARSTEK when I get it. I use it to power an electric blanket for car camping and charge it with a solar panel during the day. It has enough energy to keep us warm through the entire night. As a camping enthusiast, I really need a large capacity portable power station to charge my electronics whilst camping.
