DALIAN RONGKE POWER (CO. Ltd) has long committed to VFB material development, components manufacturing, system integration, engineering construction and service. Under close cooperation with Professor Huamin Zhang's team of DICP, RONGKE POWER has made great progress in VFB materials, key

Dalian rongke power co ltd United Kingdom

components and system integration, declared 63 items of ...

Rongke Power has built and integrated the Dalian Concurrent Energy Storage Power Station. The project was approved in 2016. Energy storage is necessary for stable electricity supply as renewables are taking over. Flow batteries have tanks with liquid electrolytes instead of conventional electrodes.
