

Who regulates electricity in Brunei?

Electricity sector in Brunei is regulated by the Department of Electrical Services (DES; Malay: Jabatan Perkhidmatan Elektrik) under the Ministry of Energy. In 2010, electricity generation in Brunei reached 3,862,000,000 kWh, in which 99% of it was generated from natural gas sources and the remaining 1% was from oil sources.

What is the electricity sector in Brunei?

Power lines along the Kuala Belait Highway in 2023. The electricity sector in Brunei ranges from generation, transmission, distribution and sales of electricity in Brunei. Electricity sector in Brunei is regulated by the Department of Electrical Services (DES; Malay: Jabatan Perkhidmatan Elektrik) under the Ministry of Energy.

Is the Sultanate of Brunei a political anachronism?

As the only ruling monarchy in Southeast Asia, the Sultanate of Brunei is often seen as a political anachronism in a region in which democratic institutions of government prevail.

What land system did the Sultanate of Brunei have?

The sultanate was divided into three traditional land systems known as kerajaan (crown property), kuripan (official property) and tulin (hereditary private property). Arab travelers who explored the Malay Archipelago referred to Brunei as "Ka Selatanga," located to the east of Java and southwest of Luzon.

How did Brunei lose power?

Bruneian territorial losses from 1400 to 1890. The rising power of the nearby Sultanate of Sulu occurred due to infighting between Bruneian nobles and the king. Brunei eventually lost its authority over the Bajaus and lapsed into a collection of riverine territories ruled by semi-autonomous chiefs.

Did Brunei have a representative government?

Independence, gained from Britain in 1984, did not result in the institution of representative government, but in effect led to the consolidation of the monarchical system of government (Singh 1988: 67). Its present head of state, Sultan Sir Hassanal Bolkiah, is the 29th ruler of a dynasty which has reigned in Brunei since the fourteenth century.
