Last week"s acquisition of Engenio, LSI"s external storage unit, by NetApp caught a lot of people by surprise. While NetApp"s desire to continue to grow through acquisition was no great secret, its decision to grow by acquiring Engenio did not on the surface initially make a lot of sense to me. After all, why would NetApp, who consistently pokes EMC in the eye for ...

LSI Logic Corporation was incorporated in November 1980 by Wilfred J. Corrigan and began operating in early 1981 using leased facilities in Santa Clara, California. Corrigan recruited co-founders Bill O"Meara (VP Marketing and Sales), Rob Walker (VP Engineering) and Mitchell "Mick" Bohn (CFO) as co-founders. Initial funding of $6 million came from a consortium of venture capit...
