How many manufacturing locations does ESS have?

ESS operates ten manufacturing locations throughout North America and employs over 2,000 people. One of these locations, in Brampton, Ontario, has been recognized for its commitments to employee health and safety and to improving and preserving the environment. Fewer than 10% of manufacturers in Brampton have achieved this distinction.

In 1986, Gene decided to close Elmco and take Ralph as a partner in Van-Ess Manufacturing. In 1990, it was decided that Van-Ess was moving to Florida. Gene retired in 2004, and Ralph and Lee bought him out. Sadly, Gene passed away in 2010. In 2021, Ralph retired, and the company is now being led solely by Lee Beers. ...
