

Everest solar systems Italy

Who is Everest solar systems?

Everest Solar Systems opened its doors in the U.S. in 2012, and just a few short years later opened a second office in Mexico. Now in 2021, they are changing their name to K2 Systems. Why? Well, Everest has always been a part of K2 Systems, a solar racking manufacturer that began in Germany in 2004.

Is Everest solar systems the same as K2 systems?

Fact sheet K2 Systems One global brand: Everest Solar Systems has always been a part of the K2 Systems team; we just weren't able to secure the same name when we first got started in the US and Mexico due to trademark reasons. Now the trademark is registered, and we are officially changing our name to "K2 Systems" in 2021.

Why should you choose Everest solar mounting?

Everest Solar Mounting is chosen for its focus on providing secure and innovative products with the best overall quality in strength, water-proofing, longevity, and aesthetics. Everest offers an impressive 25-year product warranty on all products in its integrated range. They have various applications for their mounts.

Everest Solar Systems era la sucursal de K2 Systems en EE. UU. Y México, ahora se han unificado bajo la marca K2 Systems. Como fabricante de sistemas de montaje para tecnología solar, K2 Systems ha estado desarrollando soluciones de sistemas innovadores para la industria fotovoltaica internacional desde 2004. ...
