

The territory is sometimes referred to as the French Southern Lands (French: Terres australes françaises) or the French Southern Territories, [7] usually to emphasize non-recognition of French sovereignty over Adélie Land as part of the Antarctic Treaty System. [5] The entire territory has no known permanently settled inhabitants. Approximately 150 (in the winter) to 310 (in the ...

In 2006, the French Southern Territories Nature Reserve was created around the Crozet archipelago and the Kerguelen, Saint-Paul and Amsterdam islands. This reserve, which by 2022 will cover an area of 1.6 million km2, is one of the largest marine protected areas in the world and has been a UNESCO World Heritage Site since 2019. Added to this is ...
