BW Energy holds 37.5% working interest and is the operator of the blocks, which significantly expands the resource base for infrastructure-led exploration in Gabon. The blocks are adjacent to BW Energy's Dussafu Marin licence offshore southern Gabon, covering a combined area of 4,918 km². (see map below)

When purchasing an appliance, you should pay attention to two numbers: the initial purchase price and the annual operating cost. Although energy-efficient appliances might have higher upfront purchase prices, they usually save money on your monthly utility bill. When purchasing an energy-efficient appliance, look for the Energy Star label.
