PNG Power Ltd would like to assure our customers and the people of Papua New Guinea that it will continue to provide electricity services across the country during this festive season. The front-page headline in the Post-Courier today (Friday, December 15) portrays a misleading message to our valued electricity consumers and stakeholders.

Established in 1999, DB Power was an early provider of financial information and data through online platforms during the internet era in 2000. As the Hong Kong derivatives market evolved, Deutsche Bank entered the Hong Kong listed warrant market in 2004. DB Power was entrusted with building and operating related product websites, serving as the primary platform for ...
