

# Hello solar reviews Marshall Islands

Is Hello solar a good company?

Hello Solar made it easy and explained everything clearly. I was a little worried at the start reading through the reviews but when seeing how long they have been in business and the amount of installs completed, I gave them a shot! Very pleased, happy with the process and would highly recommend to any of my friends. Good work. Show details

Is Hello solar in breach of contract?

The completed install was way overdue and Hello Solar were in breach of contract. No apology, just running away as fast as they could with exception of the tech support person. My best advice ... use anyone but Hello Solar.

Did Hello solar deliver what they promised?

Hello Solar delivered what they promised! From the time of acceptance of their quote, everything went through as scheduled. Installation crew were very professional, turned up on time and completed all works efficiently. Correspondence with the energy retailer were copied to us to keep us in the loop. Would not hesitate to recommend Hello Solar!

6 reviews | Active since Feb 2014. ... Hello Islands addressed all our concerns and even those we had not thought about regarding, finances, exchange rates, travel advisories, cultural do and ...

"This solar project will bring significant improvement in the lives of local people of Marshall Islands," said Falahud Din Shams, chairman of Humanity First Marshall Islands, at the launch event Monday at Marshall Islands Resort. Shams underlined the point that all of the grant funding is going for the solar systems installation and training.

"The Republic of the Marshall Islands (RMI) submitted its second NDC in 2018 at COP 24 in Katowice, making it the first country in the world to do so. The revised NDC set binding targets of reducing greenhouse gas emissions by 32 percent below 2010 levels in or before 2025 and by 45 percent before 2030. Yes, our NDCs are very ambitious.
