You can order solar power plant for your home again in January 2025. If you have any questions regarding solar power plants, please contact our customer service by email at [aurinkoenergia@helen](mailto:aurinkoenergia@helen) or by phone at 09 617 8065 (weekdays 8-16, local call rate).

Feed-in tariffs for solar PV power entered into force in Hungary at the beginning of 2017 and, combined with action (tender) procedure, are expected to pave the way for the fast growth of Hungary's solar photovoltaic energy market.

Solar panels are particularly well suited to replace this, but they cost millions of forints to install - although the government is trying to ease the situation with tenders and help modernize Hungarian homes.
