

Industrial enclosures Guam

Who makes industrial enclosures?

All content Copyright © 2024, Industrial Enclosure Corporation. Website design by Slamdot. Industrial Enclosure Corporation (IEC) has been manufacturing UL certified custom electrical enclosures for almost 50 years. Turn-key enclosure solutions.

Who is IEC enclosures?

IEC is and has been, for over 25 years, our trusted partner for custom enclosures. They are experts/artists at delivering enclosures that meet our and our customers' strictest requirements for uniquely designed enclosures. These enclosures are deployed into many industries including food & beverage as well as oil and natural gas.

Why should you choose IEC for a custom enclosure?

IEC provides a quality, cost effective custom enclosure in a time frame that meets your demanding production schedule. Custom features include, but are not limited to, holes, cutouts, mounting options, latching configurations, hinge configuration, viewing windows, EMI/RFI solutions, thermal management, paint finish, and more.

Are all enclosures UL rated?

All municipal, state, and federal enclosures will meet or exceed the required UL ratings. We believe that understanding the customer's application is the most important step to ensuring we provide the best possible solution.
