The Iris is the main antagonist of the 2019 analog horror series Gemini Home Entertainment. It is a malevolent, sentient, eye-like planet that appeared between the orbits of Neptune and Pluto. The Iris is a giant sentient planet that resembles an eye. Its "sclera" and "pupil" are both colored dull orange, while its "iris" is a jet-black orifice to the organic interior of the planet. It is ...

Argus PT solar camera's "DO NOT" work with BI. They specifically say the battery (solar) cameras do not work. Unfortunately I did not see that in the documentation until after it had arrived and I could not get it to work. No ONVIF support for this specific type of Reolink Cams. Has anyone else found solar cam's that work with BI?

select YOUR PRODUCT CATEGORY Individual installations Sirius Solar NC markets and installs thermosiphon solar water heaters in 200 or 300 L.
