wpd Group. Founded as a two-man company in Bremen in 1996, wpd grew up together with the wind industry. We are now a globally active developer and operator of wind farms on land and of solar parks as well. We are playing a pivotal role in converting energy supplies and contributing towards protecting our climate.

WPD / WPHD is a wolman bulk water meter with parallel turbine shaft. The ZENNER Bulk water meter WPD / WPHD is specially constructed for the measuring of high flow rates with a mainly constant flow rate profile. Due to the robust design, WPD / WPHD can cover a wide measuring range and provide accurate measuring results over a long period.
