Who is JAKs solar power Sdn Bhd?

In March 2021, JAKS Solar Power Sdn Bhd, a wholly-owned subsidiary of JAKS, was awarded for the fourth cycle of the large scale solar under Package 2 for the capacity of 50 MW ("LSS4"), our first pilot project. This project rides on Global Environmental, Social, and Governance ("ESG") standards / Renewable Energy movement.

Will JAKs be a solar power producer?

JAKS chief executive officer Andy Ang Lam Poah said, "We are elated that JAKS has been appointed as one of the solar power producers alongside our consortium partners. We are optimistic of the success and execution of the project in view of the synergistic experience and capabilities which this consortium can provide.

Is JAKs incorporating ESG into our business strategy?

JAKS is currently working to incorporate ESG as core of our business as we understand how important the ESG will impact our business strategy. We have signed the power purchase agreement with TNB in August 2021 and have successfully achieved financial close and commenced operation in March 2022.
