Brief content visible,double tap to read full content. Full content visible,double tap to read brief content. The HM327BKS Group 27 Snap-Top Battery Box is a battery storage solution for Group 27 battery sizes,including 12V Marine,RV,Boat,and Trailer Batteries.

#### How does a battery box work?

It features locking tabs to fasten the cover securely to the battery case, reinforced plastic handles to prevent cracking during battery relocation, and allows adequate ventilation of battery acid vapors. This rugged battery box maintains its impact properties down to minus 20°F, as well as, resistant UV, oil, gas and other contaminants.

Why do people use a battery box?

Customers like the battery box. They mention it's well-designed, serves its purpose, and is a simple vented box. Some say it makes their setup nice and clean and protects the batteries from the elements.

Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor batteries from weather and damage, Bison Profab manufactures custom NEMA 3R enclosures. Solar batteries require certain conditions to maintain their productivity and also require air flow control provided by louvered vents, not just for cooling the solar battery enclosure, but ...
