What is Lamprell Energy Ltd?

Lamprell Energy Ltd is a company that has played a prominent role in the development of the offshore industry in the Arabian Gulf for over 30 years. In later years, it has provided specialized services to the onshore and offshore oil and gas industry.

What makes Lamprell unique?

Driving strategy and growth through its renewables and oil & gas business units, underpinned by almost half a century of expertise, Lamprell has worked hard to establish its reputation for delivering projects safely, on time and to budget. We employ more than 5,000 people, with our primary facilities located in Hamriyah, in the UAE.

What does Lamprell do?

Lamprell provides engineering, procurement, construction and other contracting services to the energy industries. We build high-quality complex onshore and offshore process modules, jackets, platforms and wind farm foundations for our clients and hold leading market positions in jackup rig and liftboat projects.

How many employees does Lamprell have?

We employ more than 5,000 people, with our primary facilities located in Hamriyah, in the UAE. Lamprell is a leading provider of contracting services to the international energy sector. We focus on foundation fabrication...

Why did Lamprell reorganise?

Lamprell's purpose has long been to provide best-in-class project services and solutions for the energy industry, and a recent reorganisation has resulted in an increased focus on the group's strategy and part in renewables and the energy transition while it continues to support its core oil & gas business segment.

When did Lamprell go public?

In 2006 the company launched an initial public offering on the Alternative Investment Market and in 2008 it secured a full listing on the London Stock Exchange. Lamprell diversified its offering further, from predominantly servicing the oil & gas market to entering the renewables' arena in the early 2000s.

He then spent over 17 years working for Lamprell in various positions from project manager to COO. Latterly he has held senior positions with Sapura Energy (Dubai) and Dubai Drydocks before returning to Lamprell in February 2023. Neil has extensive knowledge in project management and fabrication yard operations.
