What is Lamprell Energy Ltd?

Lamprell Energy Ltd is a company that has played a prominent role in the development of the offshore industry in the Arabian Gulf for over 30 years. In later years, it has provided specialized services to the onshore and offshore oil and gas industry.

Who is Lamprell oil & gas?

Lamprell has played a prominent role in the development of the offshore industry in the Arabian Gulf for over 30 years, and more recently providing specialized services to the onshore and offshore oil & gas industry.

Who is Lamprell?

Since our inception in 1976, Lamprell has been deeply rooted in the oil & gas sector, proudly delivering hundreds of onshore and offshore projects across the industry.

Where is Lamprell located?

Lamprell has three main business units: renewables, oil & gas, and digital. Its main operations centres and yards are in the UAE and Saudi Arabia. In the UAE its main facility is located in Hamriyah, and it has a second facility in Jebel Ali and a third in Dubai Investments park.

When did Lamprell go public?

In 2006 the company launched an initial public offering on the Alternative Investment Market and in 2008 it secured a full listing on the London Stock Exchange. Lamprell diversified its offering further, from predominantly servicing the oil & gas market to entering the renewables' arena in the early 2000s.

Is Lamprell a partner in Saudi Aramco's LTA programme?

We are also proud participants in Saudi Aramco's LTA programme and continue to invest in our future through our joint venture with International Maritime Industries in Saudi Arabia. With decades of expertise and innovation, Lamprell remains a trusted partner in the global oil & gas industry.
