Because Macao's menu incorporates spirits, spices and fruits from the territory's cultural influences, you'll additionally experience the exotic tastes of Southeast Asia. Chinese-style Prawns sautéed with chili peppers are among the tastiest you can find in New York--and assuredly give nearby Chinatown restaurants a run for their money.

New York is a leader in the clean energy transition with some of the most ambitious renewable targets in the nation to reach 70% renewables by 2030. With more than two decades of experience working in the state, we have helped New York lead the adoption of solar, solar-plus-storage, and standalone storage at the community and utility-scale.
