

Sundiata Keita, often called the "Lion King of Mali," was a legendary African ruler who founded the Mali Empire in the 13th century. Born in 1217, he overcame physical disabilities and exile to unite the Mandinka people. His leadership and military prowess led to the defeat of the oppressive Sosso king, Sumanguru Kante, at the Battle of Kirina ...

The liger is a hybrid offspring of a male lion (*Panthera leo*) and a tigress, or female tiger (*Panthera tigris*). The liger has parents in the same genus but of different species. The liger is distinct from the opposite hybrid called the tigon (of a male tiger and a lioness), and is the largest of all known extant felines. [1] [2] They enjoy swimming, which is a characteristic of tigers, and are ...

Jaws of the Lion comes with a decent amount of organizational materials, and the setup/teardown is extremely streamlined. The intention of the standalone expansion was to make an extremely accessible gloomhaven introduction for those who don't have the money, experience, or (notably here) TIME to invest in something as in-depth as Gloomhaven proper.

The lion is known as the king of the beasts, and with a title like that, it's easy to assume that they must dominate their surroundings with ease. In many cultures, lions are symbols of power, courage, and leadership, but the true life of a male lion paints a different picture. An article recently published by Dr. Peter Lindsey, Director of the Lion Recovery Fund, and two ...

While it's relatively rare for male and female lions to fight each other, it can happen in certain situations. For example, if a male lion tries to take over a pride that already has a resident male, the two may engage in a fight. Similarly, if a female lion feels that her cubs are threatened by a male lion, she may try to defend them.
