Does Moldova have a parliamentary system?

The presidency holds symbolic importance but has relatively limited formal powers under Moldova's parliamentary system. In the July 2021 snap parliamentary elections, PAS won 53% of the vote and 63 of 101 seats. A Socialist-led bloc won 27% of the vote and 32 seats.

Is Moldova a post-Soviet state?

Moldova is one of three post-Soviet states--together with Ukraine and Georgia--that seeks greater integration with the West in the face of Russian resistance and territorial occupation.

Could Russia occupy Moldova if Russia seizes Ukraine?

Government officials have expressed concern that Russia could seek to attack and occupy Moldova if Russian armed forces were to seize control of nearby areas of southern Ukraine. With a resident population of under 3 million, Moldova hosts more than 115,000 refugees from Ukraine; many more have transited Moldova.
