Australia's Queensland government is set for crunch talks with Queensland Hydro to "save" the 2GW/48GWh Borumba pumped hydro energy storage (PHES) project, with its cost having increased to AU\$18 billion (US\$11.5 billion) and been delayed by three years.

The Company's mission is to seek investment and development opportunities in renewable energy production projects abroad. In line with this objective, Monaco Energies Renouvelables has just acquired eight photovoltaic parks, with a ...

Battery energy storage systems (BESS) from several firms helped the energy system recover after the NSL interconnector, which connects the UK and Norway, suddenly stopped exporting power to the UK. Developer in Ireland submits application for Europe's first multi-day iron-air battery project

The Winners Are Set to Be Announced for the Energy Storage Awards! ... A roundup of news from Europe, with Alfen and Sermatec deploying BESS projects in Sweden and Bulgaria and new firm terralyr raising EUR77 million for project development and ...

Monaco is the most recent addition to Caban's increasingly broad range of products and services, including its flagship Enduro platform, a lithium-ion energy storage system designed to thrive in...

BESS revenues in ERCOT average at about US\$200,000/MW/year in 2023, according to Modo Energy ERCOT lead Brandt Vermillion. Speaking to Energy-Storage.news Premium for a recent interview, Vermillion said that revenues will be lower in 2024, but the wholesale price volatility that battery storage assets are well-placed to capture will increase.

The US energy storage industry saw its highest-ever first-quarter deployment figures in 2024, with 1,265MW/3,152MWh of additions. Skip to content. Solar Media ... New Hampshire-based developer Granite Source ...

The Winners Are Set to Be Announced for the Energy Storage Awards! Energy Storage Awards, 21 November 2024, Hilton London Bankside. ... A roundup from a very busy fortnight of UK BESS news, with major project announcements from Field, Cero Generation, Fidra Energy, Sungrow, Green Nation and Low Carbon, as well as ESB and SSE news items from ...

In July, Malta Inc signed a deal with Siemens Energy to co-develop turbomachinery components for its systems and in March Energy-Storage.news reported the company's closing of a US\$50 million funding round, with investors including Facebook co-founder Dustin Moskowitz and Bill Gates' Breakthrough Energy Ventures taking part.
