Who is revive energy?

We care deeply about our impact on the environment & the future of smaller producers that live, work and buy locally. Revitalize Energy is a Canadian Small Enterprise Producer, managing our business using modern technology and best practices to operate without compromising our environment, people and assets.

What makes revitalize energy different from other oil and gas companies?

Revitalize Energy Inc. is a Canadian Small Enterprise Producer. Like other Oil and Gas companies, we share a similar desire to produce oil and gas to generate revenue. What makes us different is that we are not content with harming people, environment or our future in the process.

What does revitalize do?

"Revitalize is looking for ways to manage assets safely, efficiently, environmentally with a goal of acquiring cleaner data. We want to maximize our capabilities by way of digitization and continue making improvements," says President Charity Callahan. "As a company, we're looking to optimize our assets while keeping costs as low as possible.

Monaco revitalize energy inc

We are REVITALIZE. We are a Pittsburgh Based startup dedicated to providing people with the energy they need to succeed. We started as students at the University of Pittsburgh putting in long hours till the early am in the Library. We turned to the solutions on the market and began pounding energy drinks, coffee, even caffeine pills.

Tammy, Co-founder & CFO. Tammy, Co-founder and CFO joined Kyle about a year after inception. She LOVES numbers and runs financial models and insights but dabbles in e-commerce, design and marketing when she's not being bossed around by her toddler.
