

Does Israel have a drone factory in Morocco?

Israel's BlueBird to Establish Drone Manufacturing in Morocco. Israel and Morocco are expanding their defense cooperation with the opening of a new drone production facility by BlueBird Aero Systems in Morocco.

Will Morocco & Israel cooperate with Bluebird Aero systems?

The announcement by BlueBird Aero Systems has raised questions about the specifics of cooperation between Morocco and Israel. According to Derdabi, the agreement with the Israeli company provides for knowledge sharing and a gradual transfer of technology. "Israeli engineers will train their Moroccan counterparts on site," he said.

Is Morocco launching a production plant for unmanned aircraft?

In a statement published on April 13 by the Spanish magazine Zona Militar, the former Israeli air force commander said that a production plant for unmanned aircraft (ASPs) had been created in Morocco and would start operating in the near future. No details have been released on the location of this installation, nor on its start-up date.

Will Morocco create a defense industrial and technological base (DITB)?

Experts have repeatedly emphasized that Morocco's goal in producing drones is to create a Defense Industrial and Technological Base (DITB), bringing together international manufacturers, institutional players and Moroccan companies. It's a step that's been taken by many countries in an attempt to develop a military industrial sector.

Which VTOL systems did the Moroccan army buy in 2022?

In September 2022, the Moroccan Army purchased from BlueBird Aero Systems dozens of systems of WanderB-VTOL and ThunderB-VTOL (Picture source: BlueBird Aero Systems)
