

Will Mozambique liquefied natural gas project be restarted?

Japan's Mitsui & Co is collaborating with TotalEnergies and the Mozambique government to finalise plans for restarting construction of the \$20 billion Mozambique liquefied natural gas (LNG) project, CEO Kenichi Hori said on Thursday.

Will TotalEnergies restart Mozambique LNG project in January 2024?

"TotalEnergies have indicated that they want to restart their Mozambique LNG project in January 2024," a government source close to the process said, asking to remain anonymous due to the sensitivity of the matter.

Why did TEPMA1 declare force majeure in Mozambique?

Considering the evolution of the security situation in the north of the Province of Cabo Delgado, in Mozambique, we confirm the withdrawal from Afungi of all personnel from the Mozambique LNG Project. This situation leads TotalEnergies EP Mozambique Area 1, Lda. (TEPMA1), as operator of the Mozambique LNG Project, to declare force majeure.

Does Exim Bank have a 'force-majore' status for Mozambique LNG project?

"Exim continues to work with its financing partners and borrowers to conduct due diligence for the Mozambique LNG project in connection with proposed projects and restart amendments to the finance documents," the US Eximbank said in a response to questions. It hasn't made disbursements because of the force-majore status.

Does Mozambique have an insurgency?

Mozambique has the added obstacle of an insurgency that's become subdued by armed forces, though the Islamist fighters still carry out sporadic deadly raids.

5 ???· Maputo, Dec 7 (EFE).- Protests against alleged fraud in Mozambique's recent presidential election have caused two of the country's power plants to shut down, the state-owned Electricidade de Moçambique reported Saturday.
