The EGO Power+ Nexus power station is a solar generator designed for outdoor and indoor use. It works with swappable 56V Ego batteries that are also used in Ego power tools including lawn mowers and leaf blowers. While the Nexus power station has enough power to run most household appliances, it's limited in almost every other area including capacity, charging ...

Since taking over the helm of the Mauritian trust Nexus Global Financial Services in August, Nitin Collappen has already registered a holding company on behalf of the large Nigerian corporate bank Afrinvest. The new entity Afrinvest Global Capital was created on 22 September. Afrinvest's director, Nigerian banker Ike Chioke, has also been a board member of ...

Nexus Power develops Bio-Organic Battery Materials Nexus Power is an Indian startup that develops proprietary battery technology with bio-organic nano-materials and fast regenerative properties. The startup's crop residue-based nano-material allows long-lasting energy storage and utilizes patented cell arrangements for quick charging while ...

The EGO Nexus Power Station is the most capable battery-powered inverter we've seen so far and lets you run tools up to 15-amp handheld worm drives. That may get even better with firmware updates. While it's short of matching the total capacity of the Goal Zero Yeti 3000 on its own, the flexible design makes it easy to carry extra batteries in ...
