

What is the Niue ship registry?

A modern ship registry for today's ship owners. The Merchant Shipping(Registration of Foreign Vessels) Act 2012 was enacted by the Government of Niue to allow vessels under foreign ownership to fly the Niue flag. We pride ourselves as a new ship registry that is updated with today's shipping requirements.

What makes Niue unique?

Its unique waters are home to globally significant marine ecosystems - like no other on Earth. Niue is one of the first countries to commit to sustainably managing 100% of waters in its exclusive economic zone (EEZ).

What is Niue company registration?

Niue provides automated Companies Registration, administered by the New Zealand Ministry of Economic Development. The Niue Legislative Assembly passed the Niue Consumption Tax Act in the first week of February 2009, and the 12.5% tax on goods and services was expected to take effect on 1 April 2009.

Are Niue soils geochemically unusual?

Some Niue soils are geochemically very unusual. They are extremely weathered tropical soils, with high levels of iron and aluminium oxides (oxisol) and mercury, and they contain high levels of natural radioactivity. There is almost no uranium, but the radionuclides Th-230 and Pa-231 head the decay chains.

What IMO conventions does Niue comply with?

Niue is a party to the following IMO Conventions: The following Classification Societies have been authorised as Recognised Organisations (RO) to carry out statutory surveys/audits, plan approvals, and issue international convention certificates for and on behalf of the Niue Ship Registry:
