

Palestine solar panel price in gujrat

How much does a solar panel cost in Gujarat?

The efficiency of different panels differs and so does the brand. Hence, the cost variation. Depending on such factors, the solar panel price in Gujarat can range from Rs. 45,000 to Rs. 70,000 for 1 KW. Here are the further calculations of solar panel prices in Gujarat for higher capacity solar systems:

Is there a subsidy on solar panels in Gujarat?

There is a 40% subsidy on a solar panel price in Gujarat and a 20% subsidy on systems that are between 3 to 10 KW. There is no limit to the total capacity that one can install at their homes. The government is planning to set up the biggest solar park in the country in Kutch at a capacity of 30GW.

Why is Gujarat a good place to buy solar panels?

Gujarat stands at the forefront of residential rooftop installations. A lion's share of the market belongs to the Western state due to its progressive policies. The rapid technological advancements have helped to bring down the solar panel price in Gujarat. Let's take a look at some of the key initiatives taken by the state government.

What factors affect solar system prices in Gujarat?

Solar system prices in Gujarat are influenced by various factors including the capacity of your solar system, and the type of solar system i.e., a grid-connected solar system or a hybrid solar system. However, note that only grid-tied solar systems are eligible under the national solar subsidy scheme.

Why is Gujarat introducing rooftop solar panels?

The government keeps introducing rooftop solar schemes that have promoted the rapid adoption of solar panels in the state. Schemes like the Surya Gujarat Yojana have encouraged over 2.3 lakh consumers to register through a common web portal for setting up connections. Net metering was introduced to help people save up on electricity bills.

How to choose a solar panel vendor in Gujarat?

You can choose a vendor based on your individual requirements. It is important to choose only from empanelled vendors to ensure eligibility for solar panel subsidy in Gujarat. Also, sign the ALMM Declaration form with the vendor to make sure that installation is done according to the technical specifications and standards of the MNRE.
