The US Virgin Islands is one of the best value-for-money destinations in the Caribbean. You can do it on a small budget, opt for an all-inclusive hotel or splurge on luxury accommodations at a high-end resort or private villa. The same with dining. That said, pretty much everything you might want to consume comes in by boat or plane, so prices ...

St. John is the smallest of the U.S. Virgin Islands and also the most peaceful and tranquil. Over 60% of St. John is made up of a national park. We had no trouble finding secluded beaches with beautiful white sand beaches and clear blue water on this island. Some popular beaches on St. John include Cinnamon Bay, Hawksnest Beach, Honeymoon Beach ...

U.S. Virgin Islands - Today, the Virgin Islands Energy Office was selected to receive approximately \$62.5 million from the U.S. Environmental Protection Agency through the Solar for All grant program. The funding will be leveraged to develop long-lasting solar programs that enable low-income and disadvantaged communities to benefit from solar power.
