Recently, Chashma NPP Unit 4 has been completed and will be put into operation later this year, which could further ease the condition of power supply shortage and promote economic construction in Pakistan. Chashma Nuclear Power Plant (NPP) is the first international nuclear power project designed and constructed by Chinese enterprises.

Why Use Powerplus Solutions? Access to information and the plethora of manufacturers for power quality solutions, both good and ordinary can be distracting for engineers, project managers and end users. Either through our core suppliers or the many specialist suppliers we have used in the past we can supply the design and solution for the job.
