

Pv logic solar panels Micronesia

What is a PV logic MHD solar panel?

With power ratings up to 290W, our MHD solar panels fulfil a variety of energy needs ranging from a continuous trickle feed of power to prevent battery drain in caravans, motorhomes and boats to creating energy self-sufficiency for off-grid travel. For more information about what sets the PV Logic MHD range apart from other solar panels [click here](#).

Does PV logic 200W solar panel kit have a MPPT controller?

The PV Logic 200w Solar Panel Kit also comes supplied with a 15amp MPPT(Maximum power point tracking). Charge Controller which increases panel efficiency,protects the battery from being overcharged and also prevents reverse current drain. What is an MPPT Controller?

What is a PV logic 200W solar panel kit?

The PV Logic 200w Solar Panel Kit is a tough,durable and efficient energy solutionsuitable for powering an assortment of consumption devices with the added reliability of being suitable for outdoor use as well as water resistant. The PV Logic 200w Solar Panel Kit also comes supplied with a 15amp MPPT (Maximum power point tracking).

What is the warranty on PV logic panels?

These super smart panels come with a 10 yearmodule warranty. The PV Logic range of fold up panels is the perfect portable system and is quick and easy to use. Each panel has its own integrated stand,charge controller and battery connectors,plus a weatherproof bag.

Are Flexi solar panels a good choice?

The premium crystalline technology is designed to withstand the harshest of environments and weather conditions and all panels carry a 10-year module warranty. The PV Logic Flexi and Flexi Double ETFE solar panel range is the ultimate choice for flat, or slightly curved surfaces where a strong, low profile and lightweight panel is needed.
