

Qssun solar Philippines

What is a Q-Sun Solar Mercury series?

Mercury Series The Q-Sun Solar Mercury Series represents the latest advancement in photovoltaic technology with our N-type Topcon PV modules. This series offers power outputs ranging from 400W to 720W, with efficiency levels between 22.5% and 23%.

Who is Q-Sun Anhui?

Company profile for solar panel and Component manufacturer Q-SUN Anhui Co., Ltd - showing the company's contact details and offerings.

Where is Solar Philippines located?

Through our subsidiary Solar Philippines Calatagan Corporation, we built a 63.3MW solar farm in Calatagan, Batangas. Since the start of its operation in 2016, it has generated over 500GWh of clean energy, enough to power over six municipalities in Batangas, while sourcing the majority of its workforce from the locals in nearby areas. LOCATION:
